

Item G-3

I move that the Council refer the following items back to the Planning Division for additional review as requested by the Administration.

- a. Petition No. 400-01-66, Larry H. Miller Management Company request to amend the Zoning Ordinance relating to Temporary Uses. (Temporary Tents)
 - b. Petition Nos. 400-01-32 and 400-02-08, zoning and master plan amendments relating to the Sugar House Business District
 - c. Petition No. 400-00-52, amending zoning regulations to locate parking lots behind buildings.
 - d. Petition Nos. 400-01-48 and 400-01-12, creating transit-oriented zoning regulations and rezoning a portion of 400 South.
-

Council Members – Regarding the Sugar House Business District item, the Planning Division indicated that they are recommending that the Council address the height issues now rather than waiting for an additional review. The Planning Division will provide a new ordinance that deals with the height issues for Council consideration.
