
SALT LAKE CITY COUNCIL STAFF MEMO

DATE: September 5, 2003

SUBJECT: Traffic Management Program Public Hearing

AFFECTED COUNCIL DISTRICTS: Citywide

STAFF REPORT BY: Michael Sears, Budget & Policy Analyst

ADMINISTRATIVE DEPT.

AND CONTACT PERSON: Community and Economic Development Department, Alison Weyher

The City Council during the August 7, 2003 Council meeting indicated that they will hold a public hearing on the traffic calming program at the September 9, 2003 meeting. The public hearing has been advertised and a mailing has been sent to community council chairs and other interested parties.

After the public hearing on the traffic calming program and traffic management issues in the City the Council may wish to make a motion to consider the issues at a future meeting after the comments from residents have been reviewed. It is staff understands that two of the Council Members wish to have motions and options prepared for consideration at the September 16 meeting, based upon the information from previous briefings and the September 9 public comment.

OPTIONS AND MOTIONS:

The following are motions that the City Council may elect to use at the conclusion of the public hearing.

1. ["I move that the Council"] close the public hearing and defer action to September 16.
2. ["I move that the Council"] continue the public hearing to future date.

Council staff has attached previous staff reports on the Traffic Management Program performance audit and program modifications made in response to review of the traffic calming program.
