

**Board Appointment:        Community Development Advisory Committee  
Michael (Michelle) Bettin**

**INTRODUCTION:**

Mayor Anderson is recommending that Michael Bettin, resident of District 4 be appointed to the Community Development Advisory Committee. If elected, Ms. Bettin would serve a term extending through July 7, 2008. Ms. Bettin would be replacing Chantal Methot whose term as expired.

**APPLICANT INFORMATION:**

Michael Bettin resides at 630 South Elizabeth Street. Ms. Bettin is the Government Contracts Manager at FranklinCovey Company. Ms. Bettin grew up in the avenues and has lived in the Douglas Neighborhood for nearly 19 years. Ms. Bettin has been a big supporter of the continued growth and renovation of Salt Lake City.

**RESPONSE DEADLINE:**

If you have any objections to this appointment, please let Vicki know by 5:00 p.m. on Thursday, August 11, 2004.

**CURRENT COMPOSITION:**

The Salt Lake City Code requires at least one member to be appointed from each Council district. The Code states that “although members of the committee serve only in an advisory role, their involvement is necessary in order to obtain the opinions of those people who live and work in various neighborhoods to aid the city in identifying the needs within those areas, and projects to be completed with the city’s community development funds.”

Current members are: Robert “Toby” Alires, District 2; Mary Lee Anderton, District 2; Melissa J. Barbanell, District 5; Ronald Lee Bartee, District 7; Joana “Joey” Behrens, District 1; Elmer Bullock, District 2; James Fisher, District 6; Arturo Gamonal, District 6; Helane B. Leta, District 6; Chantal Methot, District 4; Ellie Muth, District 3, Maria Noble, District 2; Wendy Rendon, District 3; Samuel Straight, District 7; Gregory J. Valdez, District 7.

**BOARD STRUCTURE:**

CDAC, which can have a maximum of fifteen members, provides citizens an opportunity to participate in the City’s planning and assessment of its community development program. CDAC makes recommendations to the Mayor regarding projects that should be completed with Community Development Block Grant funds, evaluates the effectiveness of CDBG program activities, and assures that CDBG goals are consistent with the housing assistance goals of the City.
