In 1997, the decision was made by the Golf Division, with the approval of the City Council, to phase out the Season Pass program and to effectively grandfather the Senior Season Pass program for qualified Senior Season Pass holders based on their continued participation. Season passes for calendar years subsequent to 1997 were available solely to those individuals who had purchased calendar 1997 season passes on or before June 30, 1997. No other season passes were issued after this date. Season pass holders were required to renew their passes annually in order to remain eligible for a season pass. Any season pass holder who failed to renew a pass for any year would not be eligible for any further season pass. Season passes for individuals who were neither junior nor senior golfers were discontinued on December 21, 2003 and no season passes were issued for years after calendar year 2003.

In light of the implementation of the new season pass program detailed in this ordinance, Senior Season Pass holders who are still eligible to participate in the Grandfathered Senior Season Pass Program may elect to continue to participate under the same restrictions and guidelines.

Current Grandfathered Senior Season Pass holders must renew their passes annually in order to remain eligible for the Grandfathered Senior Season Pass Program. Any Grandfathered Senior Season Pass holder who fails to renew a pass for any year shall not be eligible to continue to participate in the Grandfathered Senior Season Pass Program. The use of funds collected via the surcharge shown below shall be solely dedicated to physical improvements at city golf courses. Grandfathered Senior Season Golf Passes may not be used Fridays through Sundays, on defined holidays, or for group reservation play.
