Any vacation purchased by the City shall be considered to be an extraordinary circumstance and not a fringe benefit of the employee.

VIII. SICK AND OTHER RELATED LEAVE OR PERSONAL LEAVE.

- A. Benefits in this section are for the purpose of continuing income to employees during absence due to illness, accident or personal reasons. Some of these absences may qualify under the Family and Medical Leave Act (FMLA). This is a federal law that provides up to 12 weeks of unpaid leave each year and protects jobs and health care benefits for eligible employees who need to be off work for certain "family and medical" reasons. APPENDIX D outlines the FMLA rights and obligations of the employee and the City. The City requires all employees using FMLA leave to exhaust their paid leave allotments for FMLA-qualifying events prior to taking FMLA leave unpaid. The paid leave parameters are defined in this Compensation Plan. Employees do not earn or receive leave benefits under this Section VIII. while on unpaid leave of absence. However, employees on an unpaid military leave of absence may be entitled to the restoration of such leave benefits, as provided by city ordinance.

| D-E. Plan "A."

1. Sick Leave.

- a. Sick leave shall be provided for Executive employees under this Plan "A" as insurance against loss of income when an employee is unable to perform assigned duties because of illness or injury. The Mayor may establish rules governing the interfacing of sick leave and Workers' Compensation benefits and avoiding, to the extent allowable by law, duplicative payments.
- b. Each Executive employee under this Plan "A" shall accrue sick leave at a rate of 4.62 hours per pay period. Exception: For any plan year in which there are 27 pay periods, no sick leave hours will be accrued on the 27th pay period. Authorized and unused sick leave may be accumulated from year to year subject to the limitations of this plan.
- c. Under this Plan "A," Executive employees who have accumulated 240 hours of sick leave may choose to convert up to 64 hours of the sick leave grant from any given year to vacation leave. Any sick leave used during the calendar year reduces the allowable conversion by an equal amount.
 - (1) Conversion at the maximum allowable hours will be made unless the employee elects otherwise. Any election by an employee for no conversion, or to convert less than the maximum allowable sick leave hours to vacation time, must be made by notifying his or her Personnel/Payroll Administrator, in writing not later than the second payperiod of the new calendar year. Otherwise, the opportunity to waive conversion, or elect conversion other than the maximum allowable amount shall be deemed waived for that calendar year. In no event shall sick leave days be converted from other than the current year's sick leave allocation.
 - (2) Any sick leave hours, properly converted to vacation benefits as above described, shall be taken prior to any other vacation hours to which the employee is entitled; provided, however, that in no event shall an employee be entitled to any pay or compensation upon an employee's termination for any sick leave converted to vacation. Any sick leave converted to vacation remaining unused at the date of termination or retirement shall be forfeited by the employee.

2. Hospitalization Leave

- a. Hospitalization leave shall be provided for employees under this Plan "A," in addition to sick leave authorized hereunder, as insurance against loss of income when employees are unable to perform assigned duties because of scheduled surgical procedures, urgent medical treatment, or hospital inpatient admission.

- b. Employees shall be entitled to 30 days of hospitalization leave each calendar year. Hospitalization leave shall not accumulate from year to year. Employees may not convert hospitalization leave to vacation or any other leave, nor may they convert hospitalization leave to any additional benefit at time of retirement.
- c. Employees who are unable to perform their duties during a shift due to preparations (such as fasting, rest, or ingestion of medicine), for a scheduled surgical procedure, may report the absence from the regular work schedule while in the hospital as hospitalization leave.
- d. Employees who must receive urgent medical treatment at a hospital, emergency room, or acute care facility, and who are unable to perform their duties during a shift due to urgent medical treatment, may report the absence from the affected shift as hospitalization leave. For purposes of use of Hospitalization Leave, urgent medical treatment includes at-home care directed by a physician immediately after the urgent medical treatment and within the affected work day.
- e. Employees who are admitted as an inpatient to a hospital for medical treatment, so they are unable to perform their duties, may report the absence from duty while in the hospital as hospitalization leave.
- f. Medical treatment consisting exclusively or primarily of post-injury rehabilitation or therapy treatment, whether conducted in a hospital or other medical facility, shall not be counted as hospitalization leave.
- g. An employee requesting hospitalization leave under this section may be required to provide verification of treatment or care from a competent medical practitioner.

3. Bereavement Leave

- a. Under this Plan "A" time off with pay will be granted to an employee who suffers the loss of a wife, husband, child, mother, father, brother, sister, father-in-law, mother-in-law, son-in-law, daughter-in-law, grandfather, step-grandfather, grandmother, step-grandmother, grandchild, or stepgrandchild, stepchild, stepmother, stepfather, stepbrother or stepsister, grandfather-in-law, grandmother-in-law, or domestic partner, as defined in Paragraph b. below, or domestic partner's relative as listed above if the domestic partner were the employee's spouse. In the event of death in any of these instances, the employee will be paid his or her

regular base pay for scheduled work time from the date of death through the day of the funeral or memorial service, not to exceed five working days. The employee will be permitted one additional day of funeral leave or memorial service leave on the day following the service if: such service is held more than 150 miles distance from Salt Lake City; the employee attends the service; and the day following the service is a regular work shift.

- b. "Domestic Partner" means an individual with whom an eligible employee has a long term committed relationship of mutual caring and support. The domestic partner must have resided in the same household with the eligible employee for at least the past six consecutive months, and must have common financial obligations with the employee. The domestic partner and the employee must be jointly responsible for each other's welfare. The domestic partner may not be related by blood to the employee to a degree of closeness that would prohibit legal marriage in the State of Utah. The domestic partner benefit provided under this bereavement benefit is not effective before February 23, 2006.
- c. In the event of death of a brother-in-law, sister-in-law, uncle, aunt, niece, nephew, or first cousin to the respective employee, said employee will be paid for time off from scheduled working hours while attending the funeral or memorial services for such person, not to exceed one shift.
- c. In the event of death of friends or relatives not listed above, an employee may be granted time off without pay, not to exceed four hours, or may use available vacation leave while attending the funeral or memorial services for such person.
- e. In the event the death of any member of the immediate family as set forth in this paragraph VIII.D.3(a) occurs while an employee is on vacation, his or her vacation will be extended by the amount of time authorized as bereavement leave under said paragraph.
- f. The provisions of this paragraph shall not be applicable to employees who are on leave of absence other than vacation leave.

4. Dependent Leave.

- a. Under Plan "A," dependent leave may be requested by a Full-Time employee covered by this Compensation Plan for the following reasons:
 - 1. Becoming a parent through birth or adoption of a child or children.
 - 2. Placement of a foster child in the employee's home.
 - 3. Due to the care of the employee's child, spouse, spouse's child, domestic partner (as defined in Paragraph c. below), domestic partner's unmarried child under age 26, or parent with a serious health condition.

Domestic partners and domestic partners' children are not covered by FMLA.

- b. Under Plan "A," dependent leave may also be requested by an employee to care for an employee's child, spouse, spouse's child, domestic partner (as defined in Paragraph c. below), domestic partner's unmarried child under age 26, or parent who is ill or injured but who does not have a serious health condition.
- c. "Domestic Partner" means an individual with whom an eligible employee has a long term committed relationship of mutual caring and support. The domestic partner must have resided in the same household with the eligible employee for at least the past six consecutive months, and must have common financial obligations with the employee. The domestic partner and the employee must be jointly responsible for each other's welfare. The domestic partner may not be related by blood to the employee to a degree of closeness that would prohibit legal marriage in the State of Utah. The domestic partner benefit provided under this bereavement benefit is not effective before February 23, 2006.
- d. The following provisions apply to the use of dependent leave by an Executive employee.
 - 1. Dependent leave may be granted with pay on a straight time basis.
 - 2. If the employee has accumulated and available unused sick leave, the employee shall be entitled to use as dependent leave such accumulated and available unused sick leave.
 - 3. The employee shall give notice of the need to take dependent leave and the expected duration of such leave to his or her supervisor as soon as possible under the circumstances.
 - 4. An employee's sick leave shall be reduced by the number of hours taken by an employee as dependent leave under this paragraph provided, however, that up to 40 hours of dependent leave used during the calendar year will not affect the sick leave conversion options as outlined in paragraph VIII.D.1.c.

5. Retirement Benefit.

- a. Persons who retire under the eligibility requirements of the Utah State Retirement Systems will be paid in cash at their then current pay scale, a sum equal to their daily rate of pay for 25% of the accumulated sick leave days reserved for the benefit of said employee at the date of the employee's retirement.
- b. In lieu of the above, employees may elect to convert the sick leave grant provided above to hospital and surgical coverage. If such an

election is made in writing, 50% of the sick leave hours available at retirement may be converted to a dollar allowance at the time of retirement. The sick leave hours converted to a dollar allowance shall be subject to any state and federal income and social security tax withholding required by law. An employee's available sick leave account balance, computed by the hours therein times the salary rate at the effective date of employment separation, determines the number of months of medical and surgical coverage which may be purchased. The purchase is made on a monthly basis, which shall be computed on a monthly basis of charges against the account balance. If insurance costs increase, the number of months of coverage will decrease. This provision shall not act to reinstate an employee with sick leave benefits which were in any respect lost, used, or forfeited prior to the effective date of this plan.

EF. Plan "B."

1. The benefit Plan Year of Plan "B" begins in each calendar year on the first day of the pay-period that includes November 15. Where the leave is not related to the employee's own illness or disability—or an event that qualifies under the FMLA—a personal leave request is subject to supervisory approval based on the operational requirements of the City and any policies regarding the use of such leave adopted by the department in which the employee works.

At termination of employment for any reason, accumulated unused personal leave hours, minus any adjustment necessary after calculating the "prorated amount," shall be paid to the employee at 50 percent of the hourly base wage rate on date of termination for each unused hour. For purposes of this paragraph XI.E.5, "prorated amount" shall mean the amount of personal leave credited at the beginning of the plan year, multiplied by the ratio of the number of months worked in the plan year (rounded to the end of the month which includes the separation date) to 12 months. If the employee, at the time of separation, has used personal leave in excess of the prorated amount, the value of the excess amount shall be reimbursed to the City and may be deducted from the employee's paycheck.
6. Conditions on Use of Personal Leave are:

In the event of death in any of these instances, the employee will be paid his/her regular base pay for scheduled work time from the date of death through the day of the funeral or memorial service, not to exceed five working days.
