

Board Appointment – Transportation Advisory Board – Kerry Doane

INTRODUCTION:

Mayor Becker is recommending Kerry Doane to be appointed to serve on the Transportation Advisory Board. If appointed she will replace Sherry Repscher and serve the term through September 24, 2012.

APPLICANT INFORMATION:

Ms. Doane resides in District 6 and works as a Strategic Transportation/Transit Planner for the Utah Transit Authority. As a citizen of Salt Lake City, she has a general interest in the mobility of residents and visitors. She is an advocate for alternative modes of transportation; however, understands that automobiles must be accommodated in the City.

RESPONSE DEADLINE:

If you have any objections to this appointment, please let Amber know by January 4, 2010.

CURRENT COMPOSITION OF TRANSPORTATION ADVISORY BOARD:

Membership of the Transportation Advisory Board consists of one resident from each of the eight city planning districts, one at large member to represent the Northwest Quadrant Planning District, one representative of college level transportation academia, one representative of a business-oriented organization actively involved in transportation issues affecting SLC, and one representative of the Salt Lake City School District. Other individuals representing organizations with continuing interest and involvement in City transportation issues may be appointed members. Board members include Joel Ban, District 5; Milton Braselton, District 7; Wilford Randall Dixon, District 6; Brian Doughty, District 4; Keith Jensen, District 2; Steven M. Sturzenegger, District 1; Alama Uluave, District 2; Jonathan Springmeyer; and Xuesong Zhou.

BOARD STRUCTURE:

Transportation Advisory Board members provide advice to the City regarding action items in the Transportation Master Plan; development and refinement of the Traffic Calming Program; regional, citywide and significant local transportation issues; crossing guard policies and guard placement criteria; development of alternative transportation and travel demand strategies; promotion of public education of transportation issues; prioritization for funding of transportation related capital improvement projects and programs; and serve as coordinators and resources for organizations interested in transportation issues affecting Salt Lake City.
